

Philips  
Surge protector

Home theatre

8 outlets

SPN7810

## Home theatre surge protector

2300 Joules/108,000 Amperes

Designed for the home theatre enthusiast, this advanced surge protector uses Pure Power technology which filters EMI/RFI noise so only clean power enters your electronic equipment. Keeps your picture sharp, data reliable and sound clear.

### Ideal for home theatre systems

- 2 sets gold coax protection

### Ultimate performance design

- EMI/RFI noise filtration
- 8 outlets
- Power blocker

### Dependable protection

- V3 Advanced Surge Technology
- £300,000 equipment warranty

### Built-in convenience

- Right angle plug
- Protection indicator light
- Cord management system
- 2 m power cord

**PHILIPS**  
sense and simplicity

# Specifications

## Packaging dimensions

- Packaging dimensions (W x H x D): 6 x 23.2 x 48 cm
- Net weight: 0.91 kg
- Gross weight: 1.17 kg
- Tare weight: 0.26 kg

## Outer Box

- Outer carton (L x W x H): 50 x 25.1 x 19.7 cm
- Net weight: 2.73 kg
- Gross weight: 4.06 kg
- Tare weight: 1.33 kg

## 2 sets gold coax protection

Gold-plated connectors route the coaxial signal through the surge protector to protect the line from surges and spikes. Allows two cable devices to be plugged into the same unit. Gold connectors act to reduce noise (snow, vertical lines etc) in picture and keep data safer from devices with cable modems.

## EMI/RFI noise filtration

Built-in filtering technology ensures the best performance from your components. It guards against signal interference and loss of data.

## 8 outlets

Converts one outlet into eight outlets, allowing you to plug in multiple devices from a single AC outlet.

## Right angle plug

This flat design allows for more positioning options and lets furniture sit more closely to the wall.

## Protection indicator light

This LED alert lights up to indicate the surge protector is working properly.

## Cord management system

Collects the power cords and directs them away from the device in an organised fashion to keep the area clutter-free.

## Power blocker

This automatic shutdown technology senses when the device has reached capacity and automatically shuts down electricity to your equipment. It protects against subsequent surges, even if you are not present

## £300,000 equipment warranty

Protects your connected equipment for the life of the product.

## 2 m power cord

Provides power to the unit, which can be 2 m from the AC outlet.
